"We have to be vigilant. All signs point to the act of a terrorist in planting bombs at three of the city's landmarks." —Mayor Bill De Blasio

## Trump Tower

An explosion and fire at Trump Tower was reported at 4:33 p.m. The building is on lockdown, with barricades set up the surrounding area. Streets around the area are blocked due to emergency vehicles.

Later, police discovered an undetonated explosive device, which contained a pressure cooker. It is unclear if similar devices were used in the other attacks. The bomb failed to detonate because of a loose wire on the right side.

## Empire State Building

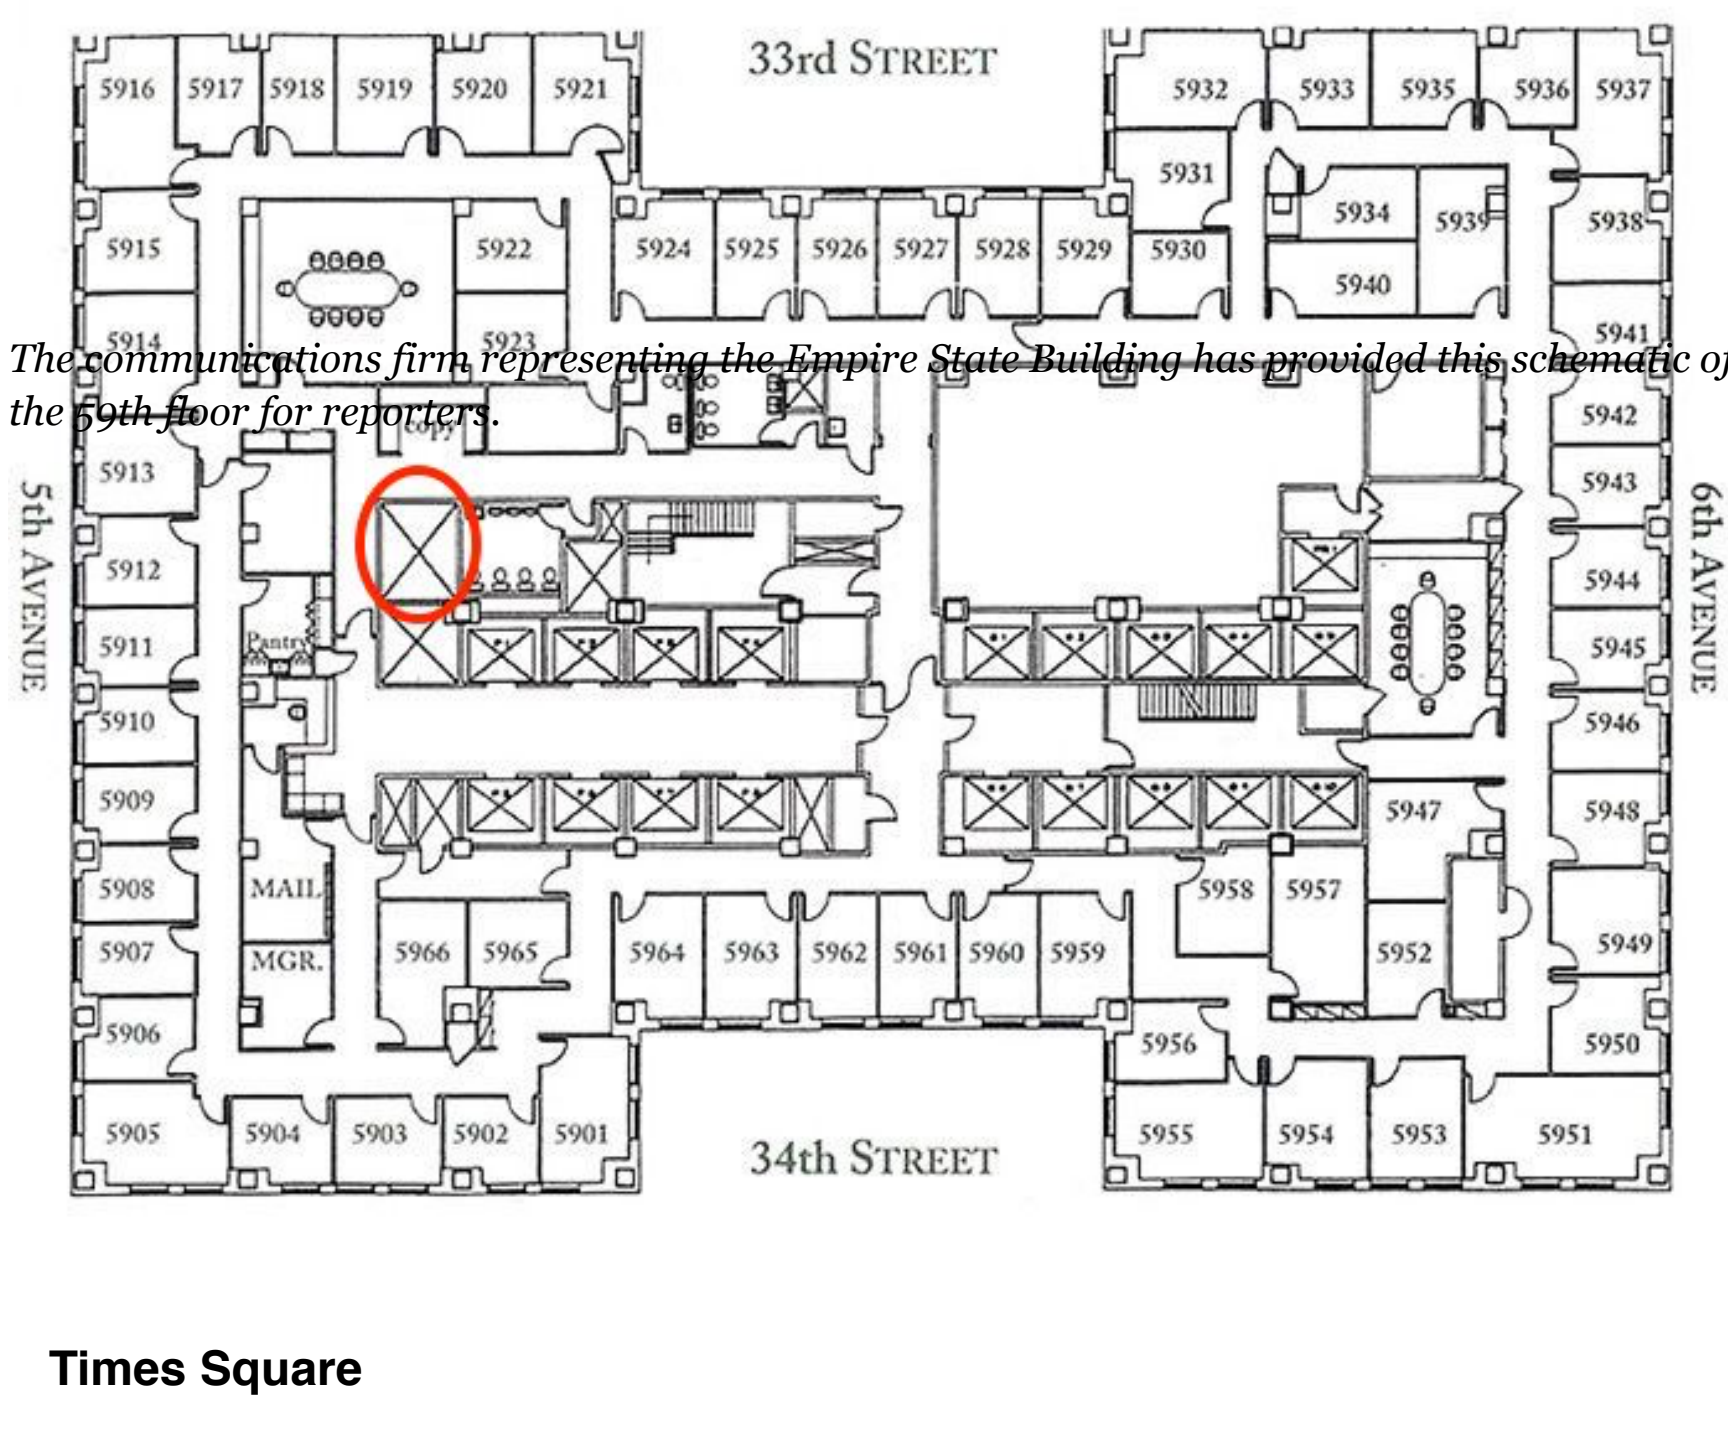

Onlookers heard an explosion, and a fire was reported at 5:10 p.m.

Firetrucks arrived on the scene. The investigation is focused on a men's bathroom on the 59th floor.

## Times Square

At 5:01 p.m., onlookers saw smoke and fire coming from the nearby Walgreens.

Reports of explosions could be heard.
